RIVA ARGO 90

Welcome

At Hendricks Yachting, we believe a day on the water should feel effortless and unforgettable. From Ibiza to the French Riviera, Croatia and Monaco, we carefully select our yachts to ensure the highest level of comfort, style and service.

We guide you in choosing the yacht that best fits your group, your wishes and your budget, whether you are planning a private day with family or friends or organizing a corporate event or business gathering.

A standard day charter usually starts late in the morning and lasts around eight hours. When you step on board, fresh towels and a selection of chilled drinks will be waiting for you, while your professional captain and crew take care of everything so you can simply relax, enjoy the scenery and make the most of your time on the water.

Our goal is simple: to make sure your experience with Hendricks Yachting is effortless, personal and truly unforgettable.
